If you have booked a non-customized basic booth, we strongly recommend bringing graphics to create a more professional and attractive display. Please ensure you bring all necessary materials to install your graphics (chains, hooks, adhesives, etc.). **It is strictly forbidden to drill into or damage the panel surfaces. Each booth is equipped with one electrical box with multiple sockets.** If you plan to connect more than three devices, please bring a power strip with you.

◆ BOOTH SET-UP

Set-up time is from **2:00PM - 7:00PM** on **Monday, 21st September 2026**. For exhibitors unable to make it on Monday, it is recommended to arrive at the show at **7:00AM on Tuesday, 22nd September** to complete the set-up and personalization of the booths.

We strongly recommend bringing graphics to personalize and enhance your booth space. Alternatively, you may choose to customize your booth through our official decorator for a more professional finish (see details below). Please note that noisy machines or sound systems are not permitted. In addition, ensure that all equipment, displays, and graphics you bring fit within the dimensions of your booth space.

◆ ADDITIONAL FURNITURE

Our official supplier, **GL Events Mobilier**, offers a wide range of furniture and equipment available for rental to enhance your booth. To upgrade your standard furniture package or order additional items, please visit the online catalogue: ad2s.gl-events-mobilier.com

If you cannot find a specific item in the catalogue, please contact Mrs. Corinne Mortier directly for assistance.

ALL ORDERS MUST BE SUBMITTED BY AUGUST 28th, 2026

Counter Branding : If you have ordered a counter and wish to customize it with your own graphics, please ensure you bring all necessary installation materials. Graphics may only be attached using double-sided tape.

The use of cloth tape, Mount adhesive, glue, or any other materials that may damage the counter surface is strictly prohibited. Any repair or replacement costs resulting from damage to the counter will be charged to the exhibitor.

CUSTOMIZED PRINTS

Customized booths and counter-tops:

Your booth or counter-top is made of hard melamine panels that can be customized with your own graphics.

For booths, graphics are printed exclusively on weighted tarpaulin material, which you can take with you after the show and reuse if desired. Simply email your ready-to-print artwork in the correct dimensions and format as **specified below**.

Artwork dimensions for customized booths :

6 sqm booth (5 panels) – Please provide 2 separate files:

- Back wall: 2920 mm (W) × 2400 mm (H)
- Side wall: 1930 mm (W) × 2400 mm (H)

12 sqm booth (6 panels) – Please provide 2 separate files:

- 2920 mm (W) × 2400 mm (H) each

The two artworks may either form a continuous design across the walls or be designed independently.

*vectorized pdf HD

For full artwork specifications and technical requirements, please consult the **Printing Guidelines provided in the annex.**

- Artwork dimensions depend on the customization option selected (see details below).
- File format: High-definition vectorized PDF.
- A booth sign printed with your artwork on both sides (400 mm × 700 mm) is available as an optional item for **€70 excl. VAT**.

Option 1

1 printed graphic on weighted tarpaulin

2920 mm (W) × 2400 mm (H)

Price: €900 excl. VAT

Option 2

1 m graphic on weighted tarpaulin

960mm (W) × 2400mm (H)

Price: €300 excl. taxes

Please send the print-ready files to your contact at ABE, copying: tlassalle@advbe.com before July 22, 2026.

Additional signage options (e.g., roll-up banners) are available — [see annex](#).

The complete list of customized graphics and print options can be found in the annex.

To order additional graphics, please email your ABE-BCI Aerospace sales representative and cc: Taylore Lassalle (tlassalle@advbe.com).

FORMAT D'ENREGISTREMENT SAVING FORMAT	PDF À noter, l'export à partir de logiciels de bureautique (Word, Powerpoint, Paint...) est à bannir. Ces logiciels ne permettent pas de vérifier la taille ou la qualité des fichiers. Utiliser les logiciels spécifiques de PAO (InDesign, Illustrator, Photoshop). <i>Noting that exporting from office software applications (Microsoft Word, Powerpoint, Paint...) should be avoided. These programs do not allow to check the size or the quality of the files. It is strongly advised to use DTP softwares (Adobe InDesign, Illustrator, Photoshop).</i>
DÉCOUPE SPÉCIFIQUE À LA FORME DIE CUTTING	Fournir un tracé vectoriel de la forme de découpe <i>Provide a vectorized plot of the cutting shape</i> Ce tracé devra être clairement identifié dans le fichier d'exécution en lui appliquant une teinte nommée « cut » (Ton direct / CMJN / Magenta 100%). Ce tracé devra être isolé dans un calque séparé. Attention à ne pas oublier le fond perdu pour garantir une coupe parfaite sans blanc. <i>This drawing must be clearly identified in the execution file by applying a hue called «cut» (Direct tone / CMYK / Magenta 100%). This drawing must be isolated in a separate layer. Be careful not to forget the bleed area to ensure a perfect cut without white.</i>

POIDS DU FICHIER SIZE OF THE FILE	Essayer d'alléger au maximum vos fichiers <i>Try to make your files as light as possible</i> Un fichier de 2 Go ne veut pas forcément dire que la qualité sera optimale. Décocher les fonctions d'édition permet souvent un gros gain de poids. Attention cependant de ne pas tomber dans l'extrême inverse et de bien vous assurer de la qualité de vos fichiers. <i>A 2GB file does not necessarily mean that it is top quality. Unchecking the editing functions often results in a big weight gain. However, be careful not to fall into the extreme opposite and to ensure the quality of your files.</i>

- Any need for special equipment (crane, long forks, etc...) must be advised in advance, prior arrival of shipment

PACKING INSTRUCTIONS

Packing materials	Please use packages strong enough to avoid damage during transportation, unloading, unpacking, storage, reloading, etc... Packing in cartons is not considered suitable for repeated handling, especially for valuable or fragile equipment. Furthermore, parcels can be placed outdoors several times, before delivery inside exhibition halls, or after closing: exhibitors must take necessary precautions against damage and rain.	
Marking	All parcels must show:	Name of exhibitor Name of exhibition & venue Stand number: _____ / Hall number: _____ Weight: _____ / Dimensions: _____ N° of parcel
Fumigation	All cargo containing wood entering into France must have been fumigated in the country of origin. This regulation concerns packages such as crates, pallets, frames, axes, drums, etc... To guarantee that the fumigation has been applied, the following information must be marked or stamped on the outside packing: <ul style="list-style-type: none"> ✓ IPPC logo ✓ ISO country code ✓ Licence number assigned to the company that fumigated. ✓ Fumigation method (HT or MB treatment used) 	

INSURANCE & RESPONSIBILITY

Insurance	Our tariff is calculated on the basis of volume or weight of your shipment, and has no correlation with the value of exhibits: the insurance covering is not included in our charges. It is the responsibility of exhibitor to arrange a personalized insurance covering: transport / handling / storage / exhibition
Responsibility	ESI will not accept any responsibility for loss or damage on products or materials left unattended on stand, inadequately packed, requesting specific handling materials or handling cares without notice. ESI will not accept any responsibility for delay in clearance or delivery, for shipment that have not been consigned as per our instructions, shipped without requested documents, or arriving after our mentioned deadlines.

PAYMENT TERMS & CONDITIONS

- Exhibitors using our appointed agents will be invoiced by them for our services.
 - Exhibitors using other forwarding companies or arranging their transport themselves are requested to send us an advance written order, and to arrange full payment of our charges prior the delivery on stand.
- All business is only transacted in accordance with our General Trade Conditions (available upon request).

Any services will be provided after reception of a written order, with detailed pre-alert, name and address to be invoiced, VAT registration number for customers from U.E. countries.

IMPORTANT INFORMATION

- Deadlines mentioned are only for exhibits shipments only. If you intend to send stand fitting goods, please check with the organizer what are the schedule for build up & dismantling.
- All consignments must be sent "Freight Prepaid" to Bordeaux Merignac; otherwise, neither ESI or his local agent will be able pick up the freight at the airport / seaport & proceed to all local formalities.
- Minimum chargeable volume for 20'Ctnr is 25 m³ , for 40'Ctnr is 40 m³, all others are 45 m³ .
- Calculation of handling for air shipments, volume/weight conversion = 6 m³ /1,000kgs. There will be a 100% surcharge for handling of dangerous, reefer or high-value cargo.
- Above rates exclude overtime storage dues in pier/airport. In order to take smooth delivery, and avoid any trouble in Customs clearance, it's a "must" to send the cargo by Master Air Waybill in air-shipment (not by house air waybill in consolidation shipment).
- Above rates are quoted for individual pieces with Dimensions not Exceeding 2.3(L) x 2.3(W) x 2.3(H) meter, 2000kgs Surcharge for exhibits exceeding any one of these dimension/weight will be 30% on basic handling charges.
- If you have heavy and oversize exhibits, you must be on-site early to direct the operation of uncrating and positioning. If crane or forklift is required for installation of equipment, please send your requirement to us as early as possible so that we could arrange contracting such equipment in advance. A quote will be given after receiving your enquiry.
- The exhibits that arrive after our stated deadline, an additional handling surcharge 30% will be levied. For exhibits that arrive after the opening date, a 50% surcharge will be levied for very urgent clearance. Above rates are based on ground-floor exhibits only, a surcharge of 10.00 € / per m³ will be levied for above ground (Mezzanine floor) exhibits.
- Above rates are based on general cargoes only and for specialized cargoes, e.g. dangerous or hazardous cargo, a 100% additional charges will be levied
- The following categories of materials are prohibited, restricted or controlled and require special documentation/process and/or clearances prior to import.

Please do not send any of the below products without approval from ESI:
